

ELARA - LED INGROUNND LIGHT

Professional LED Inground Uplight

Our Elara is a professional, miniature LED inground uplight.

It is constructed from 316 stainless steel and is certified to IP68 making it perfect for external use in gardens, decks, porches, pathways, fountains, and even internally in areas such as bathroom floors. It features a toughened glass with internal diffuser for increased protection, and a waterproof cable.

The Elara only draws 0.5 watts producing 60 lumens of light output, which makes it ideal for low-level, subtle lighting effects.

Specification:

- Diameter: 36mm
- Depth: 37mm
- Cut-out: 28mm
- Beam Angle: 120 degrees
- Construction: SUS316
- Ingress Protection: IP68
- Input Voltage: 12/24V Constant Voltage (24V only for RGB version)
- Power: 0.5W (1W for RGB version)
- Cable: Pre-wired with 3m flex (1m for RGB version)
