

# ENCELADUS - LED INGROUND

## IP67 High Power 3W LED Mini Inground Light

Our Enceladus is a high-powered LED mini inground light which features a 3W high-intensity, branded LED chip. It has an optical-grade PMMA lens to provide exceptional photometric performance, and an advanced heat dissipation mechanism through the anodised aluminium finish. This improves the energy efficiency and longevity of the product.

A plastic sleeve is provided for recessed or buried mounting, and the spring-fixture feature makes installation easy for plaster ceilings or wooden floors.

### Specification:

- IP Rating: IP67 suitable for indoor or outdoor use
- LED Source: 3W LED
- Power: 24V DC (High voltage 110V/220VAC version also available)
- LED Colour: Cool White, Warm White, RGB
- Mounting: Plastic sleeve included
