

# AEGEAN - ADJUSTABLE SPIKE LIGHT

## Professional Miniature LED Spike Light

Our Aegean is a professional, miniature LED spike light.

It is constructed from 316 stainless steel and is certified to IP65 making it perfect for external use in gardens and pathways. It is designed with an adjustable head featuring a high-powered 1W CREE LED chip, which makes it ideal for spotlighting landscape features in an external environment.

It is small and discrete at only 42mm in diameter but comes with a long mounting spike for secure, stable fixing in the ground as well as a 3m waterproof cable.
